

MUSCLEWARE DEMO EVENT EXPEDITOR SHEET

About the Expeditor Sheet:

This document has been generated by the **Muscleware Software System** specifically for Expeditors of **IFBB Professional League**, **National Physique Committee (NPC)**, **NPC Worldwide**, and **Canadian Physique Alliance (CPA)** bodybuilding events. In the pages that follow, each class of the current event is presented in the order of the show schedule.

For each class, Athletes are listed in numerical order, just as they are on the Athlete List. The Expeditor Sheet differs from the Athlete list however, in that it contains additional data to the right of Athlete names that provides Expeditors a full picture of each Athlete's schedule for the entire show.

The information is an abbreviated list of Category and Class codes for the Athlete, **in the order of the event**, with the current Class indicated in **Bold and Underlined** type. Think of this as a 'Schedule' or a 'Progress Bar' for the Athlete, with the **Bold/Underlined** Class being a 'You Are Here' indicator (the current class). Classes to the left of the Current Class have already been on stage; Classes to the right of the Current Class still remain for this Athlete to appear in.

Armed with this information, Expeditors know what class(es) the Athlete has left to do, even across different Categories, allowing them to keep Athletes close by if they come off stage and have additional Classes to be back on stage for soon.

Additionally, Athletes with a large asterisk "*" to the left of their name have not yet been on stage for the current Category, so they have yet to be presented.

The **Categories** are abbreviated as follows:

MBB: Men's Bodybuilding
MCP: Men's Classic Physique
MPD: Men's Physique

WBB: Women's Bodybuilding
WPD: Women's Physique
FIG: Women's Figure
WLN: Women's Wellness
BIK: Women's Bikini

We hope that you find this document helpful and welcome any feedback you may have. Please don't hesitate to contact **Muscleware** at info@muscleware.com if you have any comments.

Have a fantastic show!
