

MUSCLEWARE DEMO EVENT MC SHEET

About the MC Sheet:

This document has been generated by the **Muscleware Software System** specifically for MC's of **IFBB Professional League**, **National Physique Committee (NPC)**, **NPC Worldwide**, and **Canadian Physique Alliance (CPA)** bodybuilding events. In the pages that follow, each class of the current event is presented in the order of the show schedule, including the results of the score calculations (therefore **no athletes should see this sheet!**).

For each class, there is a table split into a left and right side:

LEFT SIDE

On the left side, all athletes are listed in numeric order by Athlete button/badge number. This is intended to be used to call out athletes for presentations at the finals portion of the show. Athletes who are in the top 3 or top 5 (depending on the class settings - Statistician's set these values per Promoter/Organization instructions) will have a trophy 🏆 before their name.

In the case of categories that have posing routines (Fitness, Bodybuilding, Women's Physique, Classic Physique), if this is the first time an athlete is on stage in the given category, and they are in the top 3/5 of the class, there will be a music note 🎵 next to their name. This indicates that the athlete will be performing a posing routine. Subsequent classes within the same category will not show the music note (routines only need to be performed once per category).

Also, depending on the size of the show, categories such as Men's Physique, Figure Wellness and Bikini may only present Athletes once, regardless of how many classes they are competing in. In an effort to help expedite the show, when an Athletes' name is enclosed by **(parentheses)**, this indicates that the Athlete has already presented in the given category. Therefore, if the Athletes are only presenting once, you only need to present the Athletes whose names are *not* enclosed in (parentheses).

RIGHT SIDE

On the right side, the top 3/5 athletes in the class are listed in reverse order (from 5th/3rd place to 1st place). This is intended to be used for award presentations, where the athletes are called from 5th/3rd place to 1st place.

We hope that you find this document helpful and welcome any feedback you may have. Please don't hesitate to contact **Muscleware** at info@muscleware.com if you have any comments.

Have a fantastic show!
